Never have we seen so much rain in so short a time as fell in our town on Friday morning. The streets presented the appearance of young rivers. We may say here, that some change should be made in the drainage of the town. This is of great importance and should have like earnest attention of our city fathers.

Editor Terrell of the Monitor, called to see us Saturday. Bro. Terrell is a hustling newspaper man and a gentleman, who recognizes the ethics of Journalism. We were favorably impressed with our Brother and hope to see the light of his countenance in our shack at no distant day. He is taking steps to inaugurate a movement that will be a great help to Johnston and this entire section as well. We shall co-operate with him, as far as is our power.

Several communications were crowded out last week. We endeavor to serve our friends the best we can, but every one knows that it is impossible to get every thing sent in on all occasions. We will do our best, so keep sending your phacts.

No Nodous Gosses. No Weakening of the nerves. A Pleasant and positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by derelict or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. There is no cure for this disease at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. A WORTHY SUCCESSOR

"Something New Under the Sun" All Doctors have tried the cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up in the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have claimed to cure, while pastes and ointments cannot reach the disease. And old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which when faithfully used not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches a deep part. This wonderful remedy is known as "SNUFFLES," the GUARANTEED CATARRH CURE" of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only CATARRH CURE ever made and is now recognized as the only safe and positive cure for the annoying low priced snuffing disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay FEVER or COLIC in the HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is an ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay, but send for at once, and write full particulars as to your condition, and you will receive special advice from the dispenser of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the GUARANTEED CATARRH CURE.

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. 1, EDWIN GILES COMPANY, 2230 and 2232 Market Street, Philadelphia.
